SAMKALE

GUSTO VILLE MACARONI / PASTA

PERFECT TASTE & HIGH QUALITY

Did you know this?

The pasta is very low in calories and fat. Contrary to popular belief, there is no risk fattening. Because of fattening elements are absent. Anyone who pays attention to form, with a light sauce made pasta you can eat with peace of mind. Pasta is very satisfying, as well as contains all the necessary vitamins and minerals for the body.

pasta ll be the golden taste in your kitchens. Its irresistible

taste will make all your family as a 'fan of  pasta.

The high quality  macaroni is produced from hard durum wheat by using 100% pure semolina with untouched, fully automatic machines in integrated facilities. It is packaged in a hygienic facility and supplied to market after quality control of each step; before production, during production, and after production.
